

Ridgecrest Ranchos Park District

Meeting Agenda

April 2nd, 2024

Item One

Review Current Financials (James Colton Will Present)

Item Two

Olive Tree Issues

- **John Polen** to update us on the trimming of both olive trees.
- Margo Beylen asked a tree specialist to check the health of the two olive trees based on John Polen's review of the trees with Bennet where it was found that the base of the tree closest to Crenshaw was rotting out.
- Margo Beylen to update us on bee removal on the Olive tree furthest from Crenshaw and on the tree specialist's (free of charge) take on the health of both of the olive trees.

Item Three

Lighting on the entry median is in need of updating and/or repair.

- **John Polen** to update the Board on the hiring of and meeting with a bonded and licensed electrician for the purpose of assessing the current electrical system, Identifying damage and providing an estimate of the cost of repair for all of the said electrical systems on the median.

Item Four

Discuss proposed items that could be added to the neighborhood website and vote on each idea

Item Five

Additional Tree Trimming

- Discuss removing trees on Crenshaw that are blocking neighbor's views and that are potentially hazardous.
- Discuss Street-side tree trimming (on or near monuments lawns)

Item Six

Discuss adding No Trespassing signs on the two monument lawns.

Item Seven (revisiting Item #4 from the last board meeting)

Discuss updating and modernizing plantings on the neighborhood median

- Review the plans that were commissioned by the previous board and discuss a plan forward. (I will print out the previously commissioned plans in color for the board's review.)
