

Ridgecrest Ranchos Park District

Meeting Agenda

May 7th, 2024

On May 7th at 6:00pm at the Peninsula Center Library (in the Purcell Room) we will be holding a special 2 hour Board Meeting, with this being **the only agenda item at this meeting** in order to have a question and answer session with Mr. Paul Novak, Executive Officer of the Los Angeles LAFCOs. LAFCOs are the Legislature's watchdog over the boundaries of cities and special districts and our neighborhood is one of those special districts. LAFCO stands for Local Agency Formation Commission. LAFCOs are independent regulatory commissions created by the California Legislature to control the boundaries of cities and most special districts.

We have requested this meeting with Mr. Novak because we would like to hear what our mandate is as the Ridgecrest Ranchos Board. We need to know what we can and cannot do as the board since there are differing opinions on what our mandate is amongst board members.

Board Members, please come prepared with your questions for Mr. Novak

Neighbors are welcome.
